

Architecture and-Engineering Services Request for Proposals - Public Health Lab

Notification # 001

This serves as an update on the RFP process for A/E Services - Public Health Laboratory:

1.1 After careful review of the Step 1 Qualifications Statements received, FC-NEBP has determined that the following listed prime A/E firms represent the Competitive Range for the A/E Services - Public Health Laboratory procurement. These firms have been invited to participate in Step 2 of the procurement process by submitting Detailed Team and Priced Proposals from which FC-NEBP will select and award the A/E services contract. If you want to partner with such firms, please contact them directly:

- Cannon Design / Lord Aeck Sargent – Contact: Lee Coyle (410) 234-1155
- HDR CUH2A – Contact: Cherie Chalifoux (301) 771-7015
- HOK – Contact: Amber Majid (202) 339-8700

1.2 FC-NEBP will be hosting an Project Information and Outreach Meeting to provide an opportunity for the interested parties to make contact with the Competitive Range offerors and with each other. We hope that energetic contact between the various companies will result in business relationships that align with the goals of the RFP. FC-NEBP will also gather contact information and make it available to all attendees and interested parties. In particular, we seek inclusion of local, women and minority-owned businesses. The meeting will be held at 1:30 pm on Monday February 22, 2010 at 855 N. Wolfe Street, Baltimore, MD 21205. Please be prepared to arrive at least 10-15 minutes early to account for check-in and security screening. See following page for parking directions.
